

SERVE DAY CARE CENTRES

At Serve we have two Day Care Centres. Because everyone has different needs, we have structured our Centres to try to accommodate those needs.

Our Centres provide care for special groups like dementia and sensory impairments and they all have bathing facilities with electrically operated hoists and a range of therapies and treatments.

Why SERVE?

We take the business of Day Care very seriously. The fact that we refer to our centres as Day Care Centres underlines this and sets us aside from an ordinary Day Centre. We aim to make every moment that you are with us both interesting and stimulating. Each of our centres is managed and staffed by experienced and trained care workers. There are also volunteers at hand to assist.

What do we do?

There are many activities like games and gentle exercise. We have interesting speakers and can even pamper you with massage, nail care, reflexology and aromatherapy. If you would like a bath, then our Centres offer this facility with privacy and dignity.

If you find it hard to get in and out of the bath then we offer bathing facilities with electronically operated hoists.

What time of day?

Monday to Friday
10.00am and 2.00pm

Where are the Centres?

We have one site in Rushden, and one in Raunds. The addresses are on the front of this leaflet.

The Valentine Centre in Raunds operates as a Healthy Living Centre every Tuesday, Wednesday and Thursday and aims to provide a wide range of therapies, activities and advice. These include beauty treatment, massage, hand waxing, aromatherapy. We do gentle chair exercises that everyone can participate in. Areas we cover are Rushden Higham Ferrers, Irchester, Irthlingborough, Raunds, and surrounding areas.

What about food?

Each of our Day Care Centres have fully equipped kitchens and are able to provide a hot, wholesome meal.

What about transport?

We can arrange transport if you are unable to make your own way to any of our Centres. Our own wheelchair adapted vehicle or a volunteer driver will collect you and return you home. Please ask about membership and for details of charges for this service.

How much will it cost?

There is a modest charge to cover day care which includes a meal. We also make a small charge for bathing. Beverages and cold drinks are included in the price.
