

Giving a Lift to the Local Community

85% of parishes in rural Northamptonshire lack a daily bus service and there are many people with mobility problems making it difficult to access the public transport that does exist.

Volunteer drivers help others within their local community by giving up some of their spare time to provide transport to mainly health and social care services.

SERVE is your local volunteer car scheme providing transport from:

- ◆ RUSHDEN
 - ◆ HIGHAM FERRERS
 - ◆ IRTHLINGBOROUGH
 - ◆ RAUNDS
 - ◆ IRCHESTER
- and surrounding villages.

Could You Help Drive the Scheme?

Are you a car owner with a couple of hours of free time with which you could help those who really need it?

Apart from car drivers, we also require minibus drivers - the vehicle and driver training are provided.

A Journey You Will Be Glad You Made

Why Become A Volunteer?

- ◆ Add value to your spare time by doing something rewarding within your local community
- ◆ Meet new people and make new friends through contact with other drivers and regular clients
- ◆ Give your CV a boost by gaining valuable work experience, references and other skills
- ◆ Volunteer driving won't cost you anything - mileage expenses are paid.
- ◆ You can control how much time you wish to volunteer and how far you are prepared to travel.
